

Financial Guidelines

We would like to welcome you to our practice. We are committed to providing you with the best possible dental care. It is our goal for our patients to clearly understand their treatment needs, as well as their financial responsibility before treatment begins. We desire to make your dental treatment affordable for you. If you have insurance, we are anxious to help you receive your maximum allowance benefit. In order to achieve these goals, we ask for your assistance.

- We will bill your insurance company for your dental treatment. We ask that you please provide us with accurate information at the time of your appointment.
- We ask that the parent bringing in a child pay for all treatment and/or co-payments at the time of treatment regardless of custody agreements.
- We ask that you pay by cash, check or credit card for all estimated co-payments at the time of treatment. For estimated co-payments greater than \$200.00, we would be happy to assist you in making a financial arrangement.
- For our patients without insurance or for treatments which are not covered by insurance, we offer a 5% courtesy reduction for payment in full by cash or check on treatment over \$1,500.00 at or before the time of service.
